## The Participant Benefit Lookup Portal

The Participant Benefit Lookup Portal (the "Portal") is a self-service portal that enables you, the participant, to view your information in a few key areas. The specifics of what information you can view varies slightly depending on your status, but generally includes contact information, work history, the status of benefits such as health coverage and pension credit accumulation, and, if you are a Retiree, your pension payment history.

### The Login Page

Upon navigating to the Portal, you will be directed to the Login Page. The Login Page allows existing users to log in and new users to register for the Portal and provides methods for you to access your account in the event you forget your username or password:

### Registering for the Portal (New User)

If you are new to the Portal, you must register before you can access your account. This is done by clicking "Register" on the Login Page. This brings up the following page, where the following fields will need to be completed:

New User Registration

Last Name*	<input type="text" value="Enter Last Name"/>
Birthdate*	<input type="text"/>
Unique Identifier*	<input type="text" value="Enter Unique Identifier"/>
Email Address*	<input type="text" value="Enter Email"/>
<input type="button" value="Continue Registration"/>	

Field Name	Field Description	Required
Last Name	The participant's last name must match the data on file with the Trust Fund Office or the participant will be unable to register.	Yes
Birthdate	The participant's date of birth must match the data on file with the Trust Fund Office or the participant will not be able to register.	Yes
Unique Identifier*	The participant's 9-digit Unique Identifier (assigned by the Trust Fund Office). Must match the data on file with the Trust Fund Office or the participant will be unable to register.	Yes
Email Address	The participant's email address. This email will be used to verify/activate your account and provide a method of retrieving a forgotten username and resetting a forgotten password.	

\* If you do not know your Unique ID, please contact the Trust Fund Office.

Upon completion of the above fields, click "Continue Registration" to proceed with the registration process. If the values in one or more of the above fields do not match the data on file with the Trust Fund Office, an error message will be displayed, and the fields indicated in red will need to be corrected. Once all fields are correctly filled out, clicking "Continue Registration" will direct you to the following page where the following fields will need to be completed:

New User Registration

Username*	<input type="text" value="Enter Username"/>
Password*	<input type="text" value="Enter Password"/>
Confirm Password*	<input type="text" value="Confirm Password"/>
<input type="button" value="Register"/>	

Field Name	Field Description	Required
Username	Choose a username. Usernames must be at least six characters long and cannot contain a space. Special characters allowed. Maximum 30 characters.	Yes
Password	Choose a password. Passwords must be 8- 30 characters long and contain at least one of each of the following: uppercase letter, lowercase letter, number, and special character (~ ! @#\$%^&* ()_-= { ;";<,>.?/)	Yes
Confirm Password	Re-enter the password typed in the previous field. The Register button will not be enabled until these two fields match in value.	Yes

Once these fields have been filled out, click "Register". This will send a verification email to the email address given on the first registration page. From here, the participant should open the verification email and click the link contained within. They are then redirected to a confirmation page, after which registration is officially complete and the participant can log in to the Portal from the Login page.

## Logging in to the Portal (Existing User)

If you have already registered for the Portal, you can access the portal by logging in. They can do so by simply entering their Username and Password that they created during the registration process in the appropriate fields and clicking the "Login" button.

A screenshot of a login form titled "Login". It has two text input fields: the top one contains "jjohnson" and the bottom one contains a password. Below the fields is a "Login" button.

## Accessing the Portal with a Forgotten Username (Existing User)

If you forget your Username for the Portal, you can retrieve it by clicking "Send Username via email". This will bring up the following pop-up window where you can enter the email address you used to register for the portal:

A screenshot of a "Forgot Username?" pop-up window. It has a text input field labeled "Email:" containing "jjohnson@email.com". At the bottom are "Cancel" and "Request Username" buttons.

Once you've entered the correct email address, you can click "Request Username". This will send an email containing your portal Username to the indicated email address and enable you to log in without needing to change your password.

## Accessing the Portal with a Forgotten Password (Existing User)

If you forget your password for the Portal, you can retrieve it by clicking "Forgot Password?". This will bring up the following pop-up window where you can enter your Username:

A screenshot of a "Forgot Password?" pop-up window. It has a title bar "Forgot Password?" with a close button "x". Below it is a "Username:" label with an input field containing "jjohnson". At the bottom are two buttons: "Cancel" (yellow) and "Reset Password" (blue).

Once you have entered your Username, you can click "Reset Password". This will send an email containing a password reset link to the email address you used to register for the portal. The link is valid for one hour and directs you to a screen where you can key and confirm a new password. This new password will still have the same requirements as the original one created during registration. After confirming the updated password, you will be redirected to the Loginpage.

## Navigating the Portal

Once you have logged in to the Portal, you can view your personal data across a series of screens. The exact combination of screens available to you depends on your circumstances (e.g., an Active participant may see a screen for their pension benefits accrual whereas a Retiree would see a screen displaying their pension payment history). You can navigate between these screens using the icons in the Navigation Bar, pictured here:

## Profile

The Profile screen allows you to view various personal information, as it appears in the Trust Fund's records. The Profile screen is opened automatically upon logging in and appears as follows:

Name	<input type="text"/>
Email	<input type="text"/>
Birthdate	<input type="text"/>
Gender	<input type="text"/>
Phone	<input type="text"/>
Cell	<input type="text"/>
